

St. Theresa Catholic School
2024 Summer Reading and Math Requirements
Students Entering Grade 2

Reading:

Congratulations! You are now the parent of a 2nd grader!

It's important for students to continue to practice their reading skills during the summer and to cultivate a love for reading at home. Visit the reading list created by the Diocese of Phoenix or choose your own favorite books to enjoy during the summer. Plan to spend 15-30 minutes per day reading to your child or having them read to you.

Highlighted Options:

I'll Follow the Moon by Stephanie Lisa Tara

Lily and the Paper Man by Rebecca Upjohn

The Hello, Goodbye Window by Norton Juster

The Busiest Street in Town by Mara Rockliff

Math:

Practice reading and writing numbers up to 100 as well as counting forwards and backwards by 1s, 5s, and 10s. Build fact fluency in addition and subtraction (for totals up to 20). Use flashcards or try the Spectrum Math workbook for your child's grade level. Use the XtraMath website to build fact fluency in addition and subtraction. Here is the link: [XtraMath](#)
